49th Jager Regiment (0/7/12/2/97)

* Staff officers, Senior Officers, Subalterns, Musicians, & soldiers.

Note: The original document was from a manuscript fundamentally concerned with the 1806 campaign. However, research has indicated that it must be an 1812 period organization, as the 50th Jagers were not raised until 1811 and the divisional organization is proper for that period. It is probable that this is the formation of the converged grenadiers, as the organization of corps does not match the known organization of the reserve divisions.
