FEATURED ARTICLES

2 Learning to Leverage New Media: The Israeli Defense Forces in Recent Conflicts

Lieutenant General William B. Caldwell IV, U.S. Army; Mr. Dennis M. Murphy; and Mr. Anton Menning
The Army must learn to embrace lessons from the explosion of information availability and the latent power of the new media. The Israeli Defense Forces recent experience presents several instructive lessons.

11 Continuing Progress During the “Year of the NCO”

Command Sergeant Major James W. Redmore, U.S. Army
The level of personal and professional maturity of our noncommissioned officer corps is nothing short of remarkable. We have come a long way in the last seven years during the War on Terrorism.

17 The Inclination for War Crimes

Lieutenant Colonel Robert Rielly, U.S. Army, Retired
An Army inquiry into the My Lai massacre 36 years ago provides today's leaders with ways to determine if units are tempted to commit war crimes.

24 The Embedded Morality in FM 3-24, Counterinsurgency

Lieutenant Colonel Celestino Perez, Jr., U.S. Army, Ph.D.
Army doctrine tells us to respect *the other's* dignity and, hence, *the other's* life.

33 “Awakening” Beyond Iraq: Time to Engage Radical Islamists as Stakeholders

Colonel David W. Shin, U.S. Army
Countering threats from terrorists should be dealt with through international law enforcement and diplomacy, not “preemptive” war.

40 Detention Operations, Behavior Modification, and Counterinsurgency

*Colonel James B. Brown, U.S. Army; Lieutenant Colonel Erik W. Goepner, U.S. Air Force;
and Captain James M. Clark, U.S. Air Force*
Camp Bucca, Iraq, has a proactive counterinsurgency strategy to identify detainees who no longer pose a threat, educate and train them, and return them to their hometowns to marginalize extremists.

48 Direct Support HUMINT in Operation Iraqi Freedom

*Lieutenant Colonel Charles W. “Bill” Innocenti, U.S. Army, Retired; Lieutenant Colonel Ted L. Martens,
U.S. Army; and Lieutenant Colonel Daniel E. Soller, U.S. Army*
To remain operationally agile in the counterinsurgency environment, the HUMINT community must shed some of its old ways of doing business.

57 Keeping Friends and Gaining Allies: The Indivisible Challenge of Military Public Relations

Brigadier General Huba Wass de Czege, U.S. Army, Retired
Maintaining and building positive relations with the public must become an integral part of U.S. military operations. Involved populations will increasingly be the arbiters of operational success or failure.

67 Popular Support as the Objective in Counterinsurgency: What Are We Really After?

Major Lane V. Packwood, Idaho Army National Guard
After filling enough government and security force positions to defeat the insurgents, the counterinsurgent must influence public opinion in favor of the government by finding key individuals in the population's gray networks and securing their support.

78 Iran and Venezuela: The "Axis of Annoyance"

Commander Kavon "Hak" Hakimzadeh, U.S. Navy
Iran and Venezuela are a cause for concern for U.S. security policy makers. They have indeed earned the moniker "the axis of annoyance."

85 It Ain't Over Till It's Over: What to Do When Combat Ends

Lieutenant Colonel E. Paul Flowers, U.S. Army
Preserving the peace to secure enduring success requires implementing post-conflict reconstruction.

89 Arming the Force: Future Class V Sustainment

Colonel Alan D. Braithwaite, U.S. Army Reserve
A new strategy focused on "now and into the future" helps logisticians support Joint warfighter readiness with modernized firearms and weapons systems.

CONTEST WINNERS

97 3rd Place DePuy, Counterinsurgency Operations in Baghdad: The Actions of 1-4 Cavalry in the East Rashid Security District

Major Thomas J. Sills, North Carolina Army National Guard
By adhering to the COIN principles of "clear-hold-build" and treating Iraqis with dignity, 1-4 Cavalry brought security to a former Al-Qaeda-dominated area in Iraq.

106 3rd Place MacArthur, The Influential Leader

Major Enrique Silveira, Spanish Army
Today's military professionals must understand how to influence without authority and how to achieve results within the constraints of a cooperative environment.

INSIGHTS

115 Disunity of Command: The Decisive Element!

Lieutenant Colonel Carl Grunow, U.S. Army, Retired
Unity of Command, once thought an unassailable imperative, can inhibit success in stability operations because legitimacy trumps efficiency.
