

Biography

Department of the Army

Kirby R. Brown

Deputy to the Commanding General
Fires Center of Excellence
Fort Sill, Oklahoma

Selected to the Senior Executive Service in August 2007, Mr. Kirby R. Brown was appointed as the Deputy to the Commanding General, Fires Center of Excellence and Fort Sill, effective 19 August 2007. In this capacity, Mr. Brown works in collaboration with and under the general direction of the Commanding General in the development and execution of organizational goals, objectives, and policies to ensure Warfighting commanders receive world class Field Artillery and Air Defense Artillery Soldiers, equipment and organizations. Mr. Brown has full responsibility to direct the actions of the Center's 3500 military and civilian personnel, technical and managerial efforts, and \$220 million annual operating budget. He provides direct supervision to the Center's 700 military and civilian workforce engaged in Force Management and the development of capabilities, concepts, doctrine, organizations, training, materiel, leader education, personnel, and facilities. Additionally, he serves as the Commander's principal advisor and the Center's senior expert in force management, joint capabilities integration and development system, requirements determination, and material acquisition.
