

14 April 1980

Dear General Meyer:

I am grateful for your expression of confidence and in my nomination to be Director of Plans and Policy, J-5, Organization of the Joint Chiefs of Staff, as expressed in your letter of 1 April. I acknowledge that I fully understand Army policies on the promotion to three-star and retirement. Moreover, I fully appreciate that my tenure in the higher grade could well end before my normal statutory retirement.

I am pleased to accept the nomination with the foregoing understanding, and I serve at your convenience.

Respectfully,

PAUL F. GORMAN
Major General, USA

General Edward C. Meyer
