Training Solutions to Stay Army Strong

March 2011

Training Toolkit on ATN for Repeal of Don't Ask Don't Tell

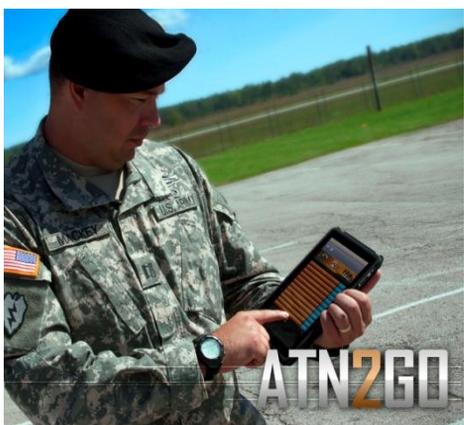

In connection with the repeal of DoD's Don't Ask Don't Tell (DADT) policy, the Army G3/5/7 has created an effective set of tools and resources to be used at unit and individual Soldier level to provide guidance and instruction. The toolkit includes a short video from Army Chief of Staff GEN George W. Casey outlining the importance of this training. See 'Important Links' on the left to access.

Updated ATN2GO brings the best of ATN to your iPad

Version 2 of the Army's free [ATN2GO](#) app lets you download selected Army Training Network resources to your iPhone, iPad, Android or other mobile device.

The updated app – with new search, help and update features – ATN2GO v2 lets you choose which ATN products you want to download so you can use them anywhere - even when you don't have Internet access.

Army Training Forum

Looking for more Training information or want the entire Army training community to weigh in on a question? Use the *Army Training Forum*. Access from [ATN-Collaboration](#).

COIN Training Videos

Similar to Duffer's Drift, the "Wide Area Security-Patrol Leader" video set follows a new patrol leader enroute to Iraq and his six vivid dreams of using different counter-insurgency approaches.

Check out What-U-Need2Know podcasts

The U.S. Army's Combined Arms Center-Training has posted the first in a series of podcasts focused on training processes and resources. This initial 11-minute podcast explores "ATN – How it Works." Listen or download it on ATN or at <http://usacac.army.mil/cac2/podcasts/>.

Coming in April: The next podcast will offer a Need2Know look at the new FM 7-0 training doctrine. Plus - watch for an audio recording of the FM 7-0 text to listen to on the treadmill, in the car or wherever. Share podcast feedback and suggestions at www.facebook.com/usacctraining.

Need to know more about the Army's new training doctrine? Have supporting materials to add? Use FM 7-0, the interactive version on [ATN](#).

DTMS/ATN Outage 2 Apr 2011

As part of system maintenance and upgrades, DTMS and ATN will not be available 0001 – 2359 on 2 Apr. Go to [ATN](#) What's Hot for the details.
