Notable News & Events

- July 7 **CAC BLOG: Reflections By Frontier 6 "Leading in a Complex Environment,"** by LTG Robert L. Caslen, Jr.

The complex OIF and OEF operational environments coupled with the nature of a decentralized and adaptive enemy have posed many challenges to commanders at all levels. Lower level leaders are being asked to do increasingly more tasks with much less experience, training, and education. Such is the nature of complexity and the current fight. [CLICK FOR MORE](#)

- July 9 **TRADOC LIVE: GEN Dempsey Discusses the Army Profession,** by **GEN Martin E. Dempsey**

After almost a decade of war and in an era of persistent conflict, I think it's important that we take some time to be introspective and think about what it means to be a part of a profession. (Blog and Video) [CLICK FOR MORE](#)
