

Library Remodel Information

The library renovation will dramatically transform the current library building into an inviting and usable library and academic support center. In addition to a new heating and cooling system, there will be new carpet, furniture and shelving. There will also be two information desks, more public computers and the children's library and general fiction will be located on the 1st floor.

During the library renovation, the CARL Main, Archives and Document collections will be moved into an offsite facility, where only library staff will be allowed to retrieve materials for use by the College and Post community.

The CARL staff and selected academic and post library material will be housed in temporary quarters located in the green space in the parking lot area between Gibbon and Sherman Ave.

Selected academic materials will be located in the CARL temporary quarters.

- SAMS reserves
- Course reserves
- UFMCS reserves
- Multiple copy materials

Selected post library materials will be located in the CARL temporary quarters.

- Children's Books
- Young Adult Fiction
- Current periodicals
- DVDs
- Audio books
- New/Bestsellers

Services in the temporary quarters will include:

- Research and Reference
- Public and student computer access
- Children's Story Time
- Interlibrary Loan
- Copyright Services
- Individual Study Carrels

Offsite materials

Books and other materials located offsite will be retrieved for patron use on demand. Contact library staff for assistance in accessing books and other materials in the "CARL Offsite" Location, and to submit paging request slips.

Retrieval Schedule - Offsite

One Offsite retrieval will be made daily, Monday through Friday. Requests for Offsite material must be submitted prior to 10:00 a.m. Requests submitted after this time will be retrieved at the next scheduled retrieval time.*

Archival materials may be requested for “in house only use” and may need more than a day turn around in order for archives personnel to identify and pull materials.

*Contingent on the weather, times for scheduled retrieval of materials may vary throughout the winter months.
