- **Tuesday, May 29** Paging resume from off-site location

As with any move these dates may change. The library will return to its newly renovated home in 2013.

CARL RENOVATION UPDATE as of 4/11/12

During the renovation, the Library will be moving to a temporary location across the street (see map on back.)

Library services, to include **Circulation, Reference, Interlibrary Loan, Copyrights, Archives and Document Research** and **Acquisitions** will be available in the temporary library location. Phone numbers will also be transferred to this location, so contact information should still be valid.

SAMS, Course Reserve, and Multiple Copy items will also be located in the temporary space, as well as our **Popular Collection (fiction, children's and young adult, current magazines, DVDs)**.

The bulk of our collection – most of the **nonfiction, microforms, bound periodicals, Archives and documents** – will be housed at an offsite location. You will still be able to access the collection by requesting the material from the library staff. We will retrieve materials Monday—Friday, excluding holidays. Expect a minimum of 24 hour turnaround.

To enable the Library staff to move to the temporary building the **Library will be closed to the public 7 May to 24 May**

For your convenience we will have a CARL desk and a book return service in Lewis & Clark during the closure – details yet to be worked out. We are exploring ways to maintain a presence in L&C during the entire renovation.

The Library will reopen in its temporary location on 25 May 2012

The renovation is expected to take about a year, so reopening in Eisenhower Hall should take place sometime in spring of 2013.

These dates may change. We encourage you to check the CARL web page, Facebook or Twitter for updates.
