From the CARL Home Page click on the “Find Articles” tab.
Or go to the URL:

http://cgsc.edu/carl/databases/db_data.asp

Save time by asking a librarian to help you: identify keywords; select the best database; find articles or periodicals.

HINT:

When searching the catalog or databases you may separate keywords with **and, or, & not** ex. (television **and** children) (car **or** automobile) (racing **not** car)

To truncate use the **asterisk *** ex. **comput*** finds **computer, computers, & computing**

If we don't have the item you need, stop by the Reference Desk and fill out an Interlibrary Loan Request form.
