

## Fort Leavenworth Hall of Fame Annual Files

The Fort Leavenworth Hall of Fame collection is a processed, open collection containing file folders relating to the operation of the Memorial Hall Association and the Fort Leavenworth Hall of Fame. The collection is found in six boxes. Three boxes (boxes 1,2 & 5) have the folders arranged by year, then by folder number. These file folders contain after action reports, correspondence, publicity clippings, memorandums, decision papers and photographs relating to the Hall of Fame ceremony.

The third box contains biographical information on the inductees in the Hall of Fame. The inductees are arranged alphabetically by last name within the box. Biographical summaries are available at <http://usacac.army.mil/cac2/cgsc/carl/resources/ftlvn/hof.asp>

The fourth box contains reel to reel, cassette and video tapes of the Hall of Fame ceremonies.

The sixth box contains records of the Bell Hall Memorial Association from 1969 to 1984. The records are arranged in three sections. The first is a Historical Chronology; the second is a topical annual arrangement; the third is a loose collection of financial deposit books. Within the first two sections, folders are numbered sequentially. The deposit books are in chronological order at the end of section two. The folders contain meeting minutes, financial statements and documents relating to the installation of stained glass windows in Bell Hall.

The collection was donated by the Combat Studies Institute, a unit of the Command and General Staff College at Fort Leavenworth, Kansas.

Not found in the collection are the biographies of persons nominated but not inducted into the Hall of Fame, these are found in the biography section of the vertical file. Also not found in the collection are the portrait photographs of the inductees. These photos have been removed to the military personality photo collection. If a portrait photo was removed, it is indicated in the folder containing the inductees biographical information in Box #3.

## Organizational History

**Hall of Fame:** The Hall of Fame was created in 1969 by the Association of the United States Army (AUSA). Its original name was the Hall of Fame. It combined in 1971 with the Bell Hall Memorial Association to form the Fort Leavenworth Memorial Hall Association. The Hall of Fame is currently cosponsored by the Memorial Hall Association, a private non-profit organization, the Henry Leavenworth Chapter of the Association of the United States Army (AUSA) and the command of Fort Leavenworth. The purpose of the Hall of Fame is to honor outstanding members of the Army, who after being stationed at Fort Leavenworth significantly contributed to the history, heritage and traditions of the Army.

Each year nominations for the Hall of Fame are proposed by various parties and are then voted on by a committee of scholars. The nominees receiving the highest number of votes are inducted into the Hall of Fame in a ceremony, normally held in April or May. The inductees are memorialized by a shadow box containing a portrait and an inscription. The Hall of Fame is located in Bell Hall at Fort Leavenworth.

**Bell Hall Memorial Association:** The Fort Leavenworth Memorial Hall Association was founded in 1968 as the Bell Hall Memorial Association to solicit funds for the installation and perpetuation of memorial stained glass windows in Bell Hall. The windows were to commemorate old line Army units and coats of arms associated with Fort Leavenworth. This association was combined in 1971 with the Hall of Fame to become the Fort Leavenworth Memorial Hall Association, with a joint mission of maintaining the stained glass windows and to administer the Hall of Fame in association with AUSA and the command of Fort Leavenworth.
