

Training Solutions to Stay Army Strong

<https://atn.army.mil>

A secure, web-based resource that provides:

- Training doctrine: ADP 7-0 & ADRP 7-0
- Unit Training Management (UTM) supports doctrine with the 'how-to' processes
- Access to HQ DA Standardized METL
- Unit training Products
- Collaboration with the training community

ATN provides direct access to:

- Expands on training doctrine with the 'how-to' details; points to the supporting tools like CATS and DTMS and others

- Provides extensive tutorials and examples to show you 'what-right-looks-like'

- Delivered in an online viewer, downloadable modules and pdf manual

- Links you to additional resources where you need them in the text

Your training database of record to:

- Review the higher commander's training guidance and disseminate your own
- Review your higher unit METL
- Record your unit METL, and view your subordinate unit's METL
- Manage the unit training calendar
- Assess/record individual training

Help Desk: 913-684-2700 **DSN:** 552-2700

Toll Free: 877-241-0347

Hours: 0700 – 1700 Central Time

Mobile Training Team POC: 913-684-2708

- TOE-focused, task-based, event driven strategies to assist in the development of unit training plans

- SAVES planning time by providing a descriptive, proponent-approved, unit-vetted strategy, which can be easily tailored by the unit in DTMS

- Provides task, purpose, outcome, and execution guidance for each event as well as identifies the task, training audience, TADSS, training gates, frequencies, duration of the event as well as the resources required to train each event

Army Training Network (ATN)

Provides a single, secure online portal to all things related to training units. Together with the training enablers of **UTM/DTMS/CATS** ATN helps you plan-prepare-execute and assess your unit training.

Planning Training is Nested with Planning Operations

Plan Training

Mission Analysis

- Unit Mission
- Higher Commander's Guidance
- Unit METL
- Current MET/Task assessment

Commanders' Dialogue

Approved Tasks to Train (KCT)

Determine & Sequence Training Events

- Associate KCTs w/events to train
- Start w/CTE work backward
- Planning horizon(s)
- Crawl-Walk-Run methodology
- Frequency of events
- Time management systems
- Overlay on calendar

Training Brief

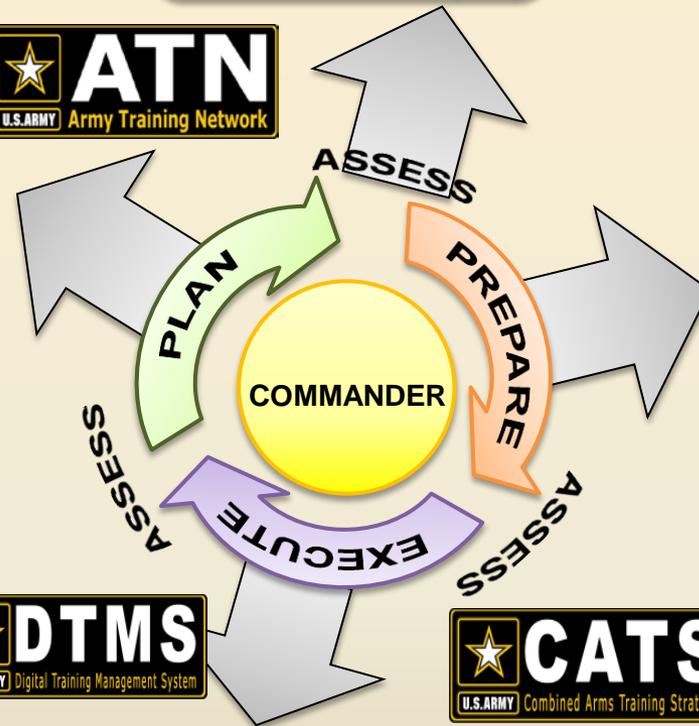

- Higher commander approves plan
- Is a 'contract' between commanders
- Higher Cdr agrees to support w/resources

Approved Unit Training Plan (UTP)

- Publish plan to subordinates
- Begin planning training events

Assess Training

- Assessments
- Evaluations
- T&EOs
- After Action Reviews (AAR)

Execute Training

Training Meetings

- Steers UTP
- Who attends?
- How often?
- T-Week Concept
- Resource coordination
- KCT assessments

Recovery

- Actions after training
- Account for people, equipment & sensitive items
- Inspect & maintain equipment & personnel
- Final AARs

Prepare to Train

Training objectives

- What's the training end state for the event?
- Tied directly to KCTs

Training Models

- 8 Step
- Others

Train the Trainer

- Train & certify leaders
- Evaluators
- OPFOR
- Role players
- OCs and other support personnel

Pre-Combat Checks

- Equipment ready & serviceable
- Trainers are prepared
- TADSS are on hand and ready
- Initial risk management done

Rehearsals

- ROC Drills
- Key leader

Publish Training Schedules
