MEMORANDUM FOR ALL WARRANT OFFICER CANDIDATES

SUBJECT: Warrant Officer Candidate School (WOCS) Welcome and Orientation

1. Congratulations on your selection to attend WOCS! I am confident that WOCS will be a challenging and rewarding experience for you. The program is designed to ensure you are adequately prepared to be an Army Warrant Officer as well as to help you realize what you are capable of achieving under physically and mentally demanding conditions. The daily training, mentoring, and feedback regimen in a task saturated environment will help you develop the leadership skills and attributes the Army expects its Warrant Officers to possess. Upon your completion of the program and appointment as a Warrant Officer, you will have a justifiable sense of accomplishment and pride in knowing that you are truly prepared to serve as an Army officer.
 2. Prior to reporting to WOCS, there are some things you can do to prepare mentally and physically to ensure your success.
 - a. Resolve to exceed the leadership challenges you will encounter during the program—the stronger your motivation to successfully complete the program, the better you will do.
 - b. Ignore rumors you may hear about WOCS; it is true that WOCS is transforming just as the rest of the Army is transforming, but the goals of WOCS remain the same.
 - c. In-as-much as possible, resolve personal and family matters before you report.
 - d. Get into top-notch physical condition before you arrive to enable you to do your best in daily physical training and to adjust to the higher temperatures and extremely high humidity that are prevalent during much of the year.
3. Again, congratulations on your selection for WOCS. All of us at the Warrant Officer Career College look forward to helping you gain the tools you will need to serve our country effectively as a Warrant Officer in the US Army.

Orientation Packet

1. PURPOSE: The purpose of this orientation booklet is to provide general information for soldiers scheduled to attend Warrant Officer Candidate School (WOCS).

2. COURSE OVERVIEW: **Report in ACU uniform** to Headquarters & Headquarters Company (HHC), building 5910, anytime on or before your report date. Hand-carry the Pre-Reporting Checklist with all applicable documents required to begin training. On report day, arrive before 1200 hours (**recommended**) to complete. Upon arrival, the HHC Cadre or Candidate Duty Officer will provide in-processing instructions and assign rooms in the billets. **Early reporting is authorized.** On report day, the class will have formation around 1500hrs in HHC Company (bldg 5910) area for the WOCS orientation. Study the WOC SOP and pay close attention during the orientation and briefings (effective listening). Take care of all administrative requirements prior to your arrival. The links for the in-processing schedule while assigned to HHC is located online at <http://usawocc.army.mil/woes/wocs.htm>

a. The Warrant Officer Candidate School (WOCS) is the sole source of appointment for all U.S. Army Warrant Officers. Training, Advising, and Counseling (TAC) officers, with academic instructors, evaluate each candidate's potential to become an Army Warrant Officer, while simultaneously training and mentoring each Warrant Officer Candidate with the needed tools for a successful career as an officer.

b. TAC Officers and Cadre members at the Warrant Officer Career College educate, train, and evaluate each candidate in the following areas: leadership, academics, and performance in the garrison and field environment. Moreover, TAC Officers advise, counsel, develop, and make recommendations concerning the progress of each candidate. They demand maximum performance and strive to set the example for all candidates to follow. In order to graduate WOCS, candidates must pass all course requirements.

3. ENROLLMENT/COURSE PREREQUISITES: Applicants must:

a. Meet all application and selection prerequisites outlined by the Warrant Officer Procurement Program and the Selection Board.

b. Candidates are not authorized to have a profile that prevents them from taking the 3 event Army Physical Fitness Test (APFT) or full participation in the vigorous physical training. The alternate APFT event is not authorized, except for candidates with an approved G-3 waiver. Candidates must pass the three event APFT on Day 3. Failure to pass the three event APFT prevents a candidate from entering WOCS training at 1st Warrant Officer Company (1st WOC). All candidates will participate in road marches and carry a rucksack weighing a minimum of 40 lbs. The regulation that governs the medical fitness standard for WOCS is AR 40-501, Chapter 2.

c. Candidates must pass the height and weight screening criteria of the Army Weight Control Program. Overweight personnel will be measured for body fat percentage. Candidates that fail to meet the body fat standards will be considered for elimination and processed IAW AR 350-1 and AR 600-9.

d. Candidates must have an initial issue of serviceable clothing as outlined in AR 670-1, and AR 700-84. Military clothing is discussed in depth later in this packet.

4. SECURITY CLEARANCE REQUIREMENTS: The Joint Personnel Adjudication System (JPAS) is the Army system of records for security clearance eligibility and access. Upon arrival to HHC, you are required to have a Secret or Interim level access in JPAS. You will not begin WOCS training if security access is either suspended or denied. Recommend soldiers check with the unit security officer to ensure

secret access is granted in JPAS. However, HHC Cadre will verify (Fort Rucker Security Division) that each candidate has access prior to report day of every class. **Candidates who fail to meet the**

mentioned security requirements will return to home station.

5. CONDUCT AND APPEARANCE: Candidates are required to present a neat, professional appearance with a hair cut IAW AR 670-1. **Moustaches are not permitted.**

6. DINING FACILITY: Candidates will use the consolidated dining Facility. The class will march to and from the dining facility during every meal.

7. FINANCES: Ensure financial matters are in order before WOCS training begins. A report of indebtedness or bad checks may result in your removal from training until the problem is resolved. Recurring problems of this nature may result in elimination. It is your responsibility to resolve personal affairs prior to arrival.

a. Do not spend money excessively on unauthorized items. The best course of action is to wait until the initial orientation at HHC. Candidates are given ample time to purchase required items. The average candidate spends \$300- \$400 during the course on laundry, class expenses, and personal items. The taxi fee from Dothan airport to Fort Rucker is \$35. Once training begins, candidates are limited to have \$350 on hand. Personal checks, traveler checks, and ATM cards are authorized while in training.

8. MILITARY CLOTHING: Verify you have the military clothing required for the course. Do not buy new uniforms if the current uniforms are IAW AR 670-1. Frequently, Soldiers buy an entire new issue when the expense is not warranted. Purchase missing or unserviceable items from the local Military Clothing Sales. The Fort Rucker Military Clothing Sales may not have all the basic issue items required to attend WOCS. Appendix 1 and 2 list all military clothing requirements for males and females. Personnel reporting from basic training who have uniforms that do not fit (too large, too small, etc.), contact the HHC cadre for direct exchange.

a. The ACU with brown boots is the standard daily duty uniform for wear in accordance with current Army Policy. The total number of uniforms (4 pair ACUs) may not exceed the maximum quantity authorized by the packing list.

b. **Reserve Component:** CTA 50-900 (Para 8b and table 3) authorizes Reserve Component Warrant Officer candidates to receive 2 additional sets of ACUs from their unit supply prior to arrival. Candidates attending WOCS in a TDY or ADT status wear the unit patch of the current or last unit. All others wear the Aviation Center patch.

c. Intra-service transfer or a Soldier with six month or more break in service must report to HHC supply with a copy of his/her DD Form 214 in order to receive basic clothing issue from Fort Rucker Military Clothing and Sales. Soldiers who meet these criteria are authorized to have patches issued and name tapes sewn at the government expense. Recommend early reporting to receive basic clothing issue prior to report date of class.

d. Sign in wearing the patrol cap, this is the headgear while attending WOCS training. The beret is worn with the new ASUs. Candidates wear the beret with your class A and B uniforms. Soldiers who are authorized to wear the maroon beret and black jump boots will only wear these items to the graduation ceremony.

e. The Military Clothing Sales store does accept the Military Clothing Plan (formerly UCDDP) up to \$500. Wait until your arrival to HHC to mark your equipment to ensure it is marked IAW WOCS policy.

9. PRIVATELY OWNED VEHICLES (POV): On the second day of in-processing you will park POVs in the designated parking area. It will remain there for the duration of your time at WOCS. Every Sunday you are allowed to start and idle your vehicle as a class to prevent battery and engine problems.

DO NOT store any valuables in your POVs. Personal items are stored in a designated area at 1st WOC. **DO NOT** store privately owned weapons (shotgun, rifle, and handgun) in your vehicle.

10. PRIVATELY OWNED WEAPONS (POW): We recommend leaving your privately owned weapon at your place of residence. Candidates who arrive to WOCS with a privately owned weapon will report **IMMEDIATELY** to the HHC cadre (XO or Operations officer). After duty hours, the Candidate Duty Officer will contact the Provost Marshall. You are required to register POW with the military police and store it in the arms room until after WOCS graduation.

11. PROFILES: Contact the Warrant Officer Recruiting Team or the HHC Cadre if your medical status changes after the selection board results. Candidates must provide HHC Cadre a copy of the G-3 waiver during in-processing to begin WOCS training. Furthermore, any candidate that receives a profile while in training may be placed on medical hold or returned to home station until medically cleared for training. Candidates placed on medical/administrative hold, who are assigned to HHC will perform duties within the limits of their profile.

12. STATIC ITEMS: A static item is any item over the required anything that duplicates an item that you display for inspections, or an inspected item that is hidden for the purpose of evading inspection. You can be eliminated from the course for having static items once you begin training. You will have ample opportunity to store extra items in a security room on your first day of WOCS training. Therefore, do not throw duplicate items away. If you wait until arrival at HHC to purchase the required items, you will avoid purchasing unnecessary items that may be considered “static.”

13. UNAUTHORIZED ITEMS: You are not permitted to use certain clothing items, equipment and products in the WOCS. They are items that are considered to give you an unfair advantage over others. Appendix 5 contains a list of unauthorized items. Static items are not authorized

14. ALCOHOLIC BEVERAGES AND TOBACCO USE: Consumption or possession of alcoholic beverages or tobacco products is strictly forbidden while assigned to WOCS. This restriction applies from the date of sign-in to date of departure, regardless of status (i.e., snowbird, active class, admin/medical hold, or holdover). Violation of this restriction is grounds for immediate elimination!

15. MAIL. You will be issued a mailbox when you in-process.

16. TELEPHONES AND CELLULAR PHONES: Candidates are not authorized to use military phones for personal business. Personal cellular phones are authorized during scheduled times while in-processing. Once training begins, candidates will not have telephone privileges until the class earns those privileges (usually for the first 2 weeks). You are encouraged to call or email your family members to inform them of your safe arrival and to advise them of your new address (once you receive your P.O. box assignment). Candidates are not authorized to store cellular phones in POVs.

17. AKO ACCOUNT and INTERNET ACCESS: Candidates are required to have an AKO account. Register in advance at www.us.army.mil. Ensure that your password will not expire during your time in WOCS. We recommend renewing your AKO at least one week prior to your arrival. A computer lab is available at HHC for candidates to use. While in training, e-mail all documents required to your AKO account, while in training. (SR TAC essay, autobiography, awards, lease, marriage certificate, etc...

18. MOVING DEPENDENTS: Candidates who are authorized to move their dependents to Fort Rucker must do so PRIOR to their report date for WOCS. It is the individual’s responsibility to request 10 days permissive temporary duty (PTDY) for house hunting, from the losing command, and to settle their family prior to signing in to HHC. Once signed in, you will NOT be authorized PTDY until completion of WOCS. Candidates who are intra-service transfers will be processed case-by-case due to the limitations and restrictions placed upon them by their losing branch of service. All personnel arriving to Fort Rucker, PTDY for house hunting, are required to first report to the Post Housing Office (located in Bldg 5700) to have their PTDY paperwork stamped. Warrant Officer Candidates scheduled to attend Aviator training are authorized to live on post quarters.

19. BAH: All soldiers (including National Guard, Reservist and Inter-Service Transfers) who currently

receive BAH at the without dependent rate, and are PCSing to Fort Rucker will not be authorized to receive BAH while assigned to the Warrant Officer Candidate School. This includes single and dual military members. Authorized housing allowances will start upon completion of Candidate School.
