MEMORANDUM FOR Students, Warrant Officer Senior Staff Course

SUBJECT: Welcome and Information

1. Welcome to the U.S. Army Warrant Officer Career College (WOCC) and the Warrant Officer Senior Staff Course (WOSSC).
2. Your course begins with a distributed learning (DL) phase that requires web-based interaction between instructors and students, providing foundational instruction for the follow-on resident phase. The WOSSC is built upon the Officer Professional Military Education Policy, and our goal is to provide you with the senior level warrant officer knowledge and skills required to apply your technical expertise in support of leaders at strategic levels across Army, Joint, Interagency, Intergovernmental, and Multinational (JIIM) unified land operations.
3. Prepare yourself for the challenges ahead. The WOSSC is demanding and requires you to expand your knowledge beyond the normal boundaries of your specialty.
4. You probably have many questions about the course and your stay here at Fort Rucker. The Course Director will send you a separate memorandum with more detailed information. You will also find more information on the WOCC web page, <http://usacac.army.mil/cac2/WOCC/>. Listed below are phone and fax numbers for WOCC staff and faculty. Please contact them if you need assistance.
