Dear SDC Participant,

Welcome to the Supervisor Development Course (SDC):

The SDC is a complete revision of the legacy course. It is a major result of the National Defense Authorization Act of 2010 (NDAA 2010) which requires that all Government Civilian Supervisors and Military that supervise government civilians receive training in the topics specified in the NDAA 2010. Content was designed and developed by a team of subject matter experts and vetted through topic area proponents across the Army. You have 120 days from the time of enrollment to complete this course. Once 120 days has passed, you will have to reregister and begin again. **No extensions are granted!**

Section 508 compliance

A new Text only version of each lesson is available via the button on the first page of each lesson. This version has been tested to be compatible with *Job Access With Speech* (JAWS) assistive software.

How to access the content:

You should have received a notification message that instructed you to initially log in to the Army Learning Management System (ALMS) server. The course lessons and content should be available to you in the “Current Enrollments” area of the ALMS. If the lesson is completed or opened and then closed without completion it will move to the “Detailed Training Records” area (formerly Transcripts). If you have technical problems with the course, or require a test reset, please contact the Army Management Staff College dL Team via the Army Training Help Desk (ATHD). To submit an ATHD ticket; log in to AKO and then paste the url <https://athd.army.mil> into your browser.

Login and Launch Content

(Detailed instructions are provided at the end of this memo)

- Log into ALMS via AKO (using CAC or AKO UserID and Password) then use the “**Self Service**” Dropdown and the “**My Education**” link or go directly to the ALMS at <https://www.lms.army.mil/>.
- You will be prompted to enter your AKO Username and Password information if you go directly to <https://www.lms.army.mil/>.
- You are now logged into the ALMS. You are on your homepage.
- Click on the “**Current Enrollments**” button and your registered course lessons will be displayed with the option to launch them directly. Lessons will not be listed in order and you should sort them alphabetically. Please note you will have to repeat this sort each time you log into the ALMS to view your lessons in Alphabetical order. We are working to improve this feature.
- Click the content (lesson) “**Launch**” button
- Upon completion of the first lesson, to access the next lesson, in the “**More Actions**” box click the “**Go to Enrollments**” link

Once you have completed the lessons and closed the course, your completion is reflected in your “**Detailed Training Records**”. You may view your status (how many lessons you have completed) from the “**Detailed Training Records**” area. You can also replay a completed lesson from the “**Detailed Training Records**” area.

Final Examination:

The honor code is important for any distance learning completions. Please realize that this course must be taken individually and the honor code focuses on your responsibility as a student.

Please take the time to review the lesson material prior to taking the exam. You may experience problems passing the exam without studying. The Final Examination (Posttest) is comparable in difficulty with a graduate level college comprehensive examination. You should take notes during the course. Each testable lesson has a print feature that allows you to print out the content for taking notes during the lesson and studying for the examination. You should allocate at least 50 minutes to an hour to complete the exam.

The exam contains 40 questions which are displayed one question at a time. You can backtrack to the previous question once a question is answered. Once the last question is answered, the examination will close and then display your score. Your completed examination question can be viewed in the “Detailed Training Records” area. For exam feedback you will see an abbreviated version of your question, the answer chosen, and if you answered correct or incorrect. You will not see correct answers for questions answered incorrectly.

Course Completion

You will have two attempts to pass the final exam and must score an 80% or above. If you fail to pass the exam after your second attempt, your supervisor will be notified and you must retake the course. Please note: grades in the ALMS are recorded as a decimal; an 80% pass would be reflected and scored as .80. The two exam attempts are on two separate and different exams.

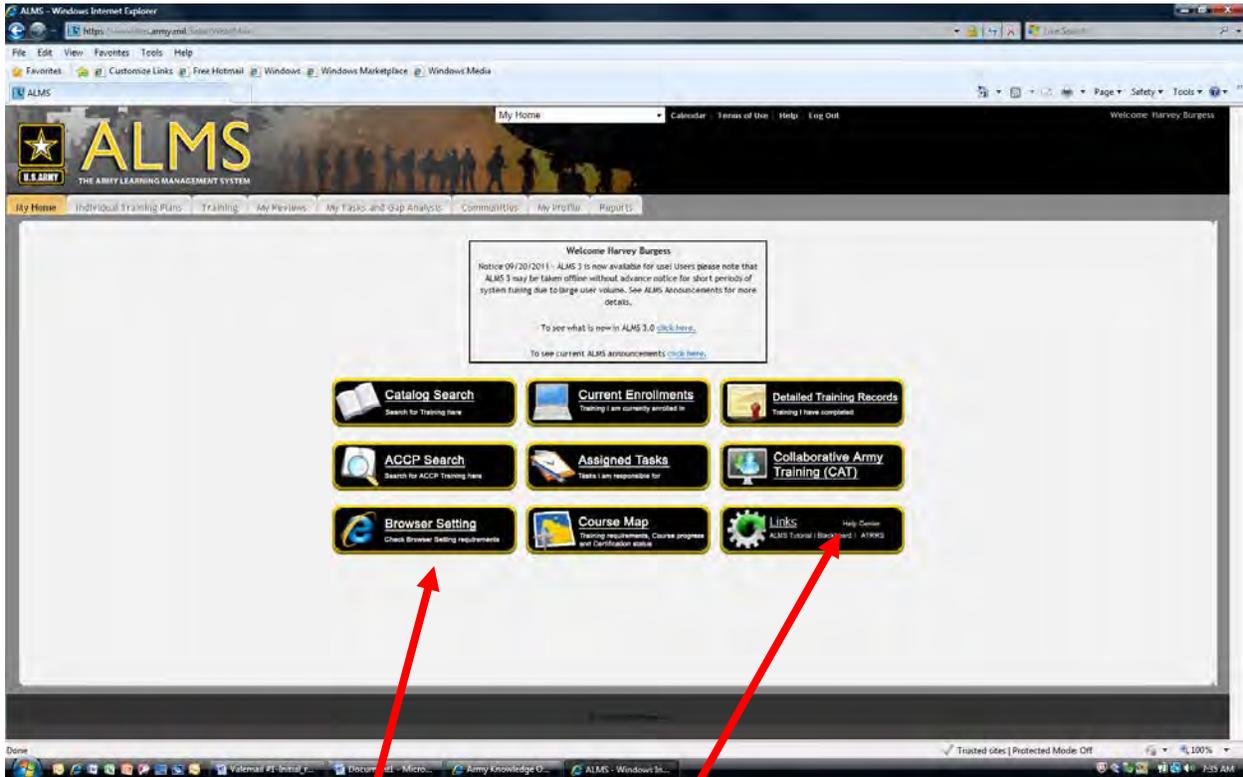

After you have completed all lessons, the final exam and End of Course Critique, you can access your diploma in CHRTAS. Please allow 1-2 days after completion for processing. Once signed into CHRTAS, go to the left hand menu, hover over the “Student” menu selection, trace down to “Training Certificates” and click on “**Training Certificates**”. We recommend you use buff colored paper, print it on a color printer, and display it in a prominent place. There is no need for you to print a completion certificate from the ALMS. If your certificate is not listed in CHRTAS after 48 hours please contact the Army Management Staff College dL Team via the Army Training Help Desk (ATHD).

Feedback:

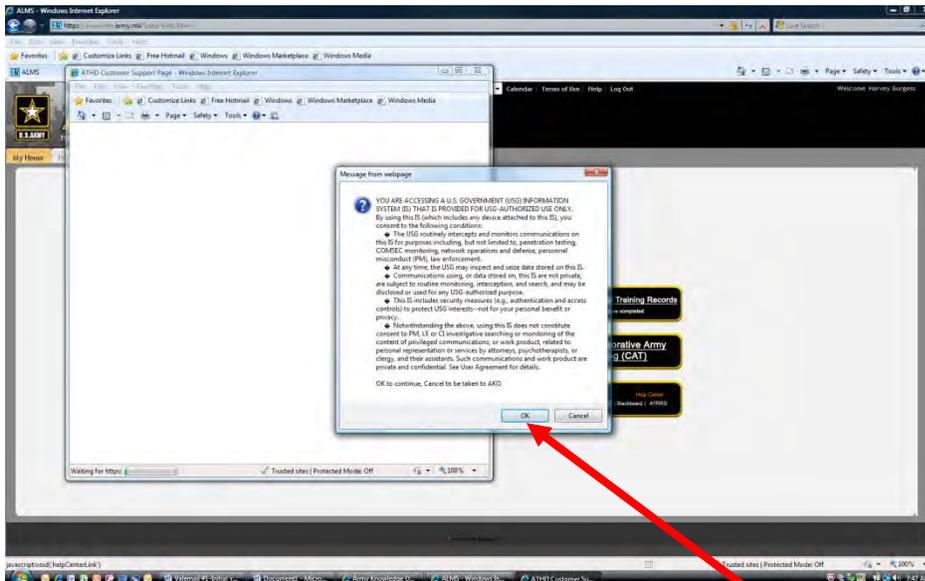

To help us improve our course, we invite any comments and/or recommendations you may have. Your feedback is beneficial in improving the Supervisor Development Course.

Thank you for your time.

When the student has taken all actions to launch content again (i.e., Go to Detailed Training Records and hovered over Actions) and they see a display similar to this one. Note the Small Actions Bubble and Horizontal Slide Bar without the link to “View Content”.

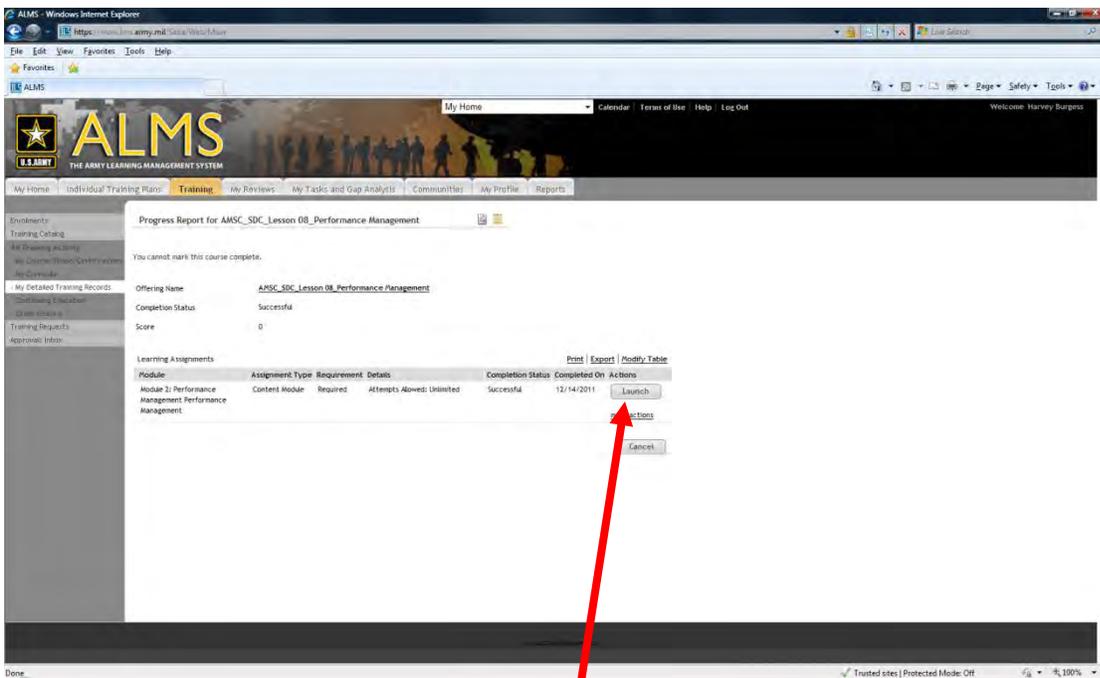

Move the Mouse Pointer very slowly toward top of the Horizontal Slide Bar.

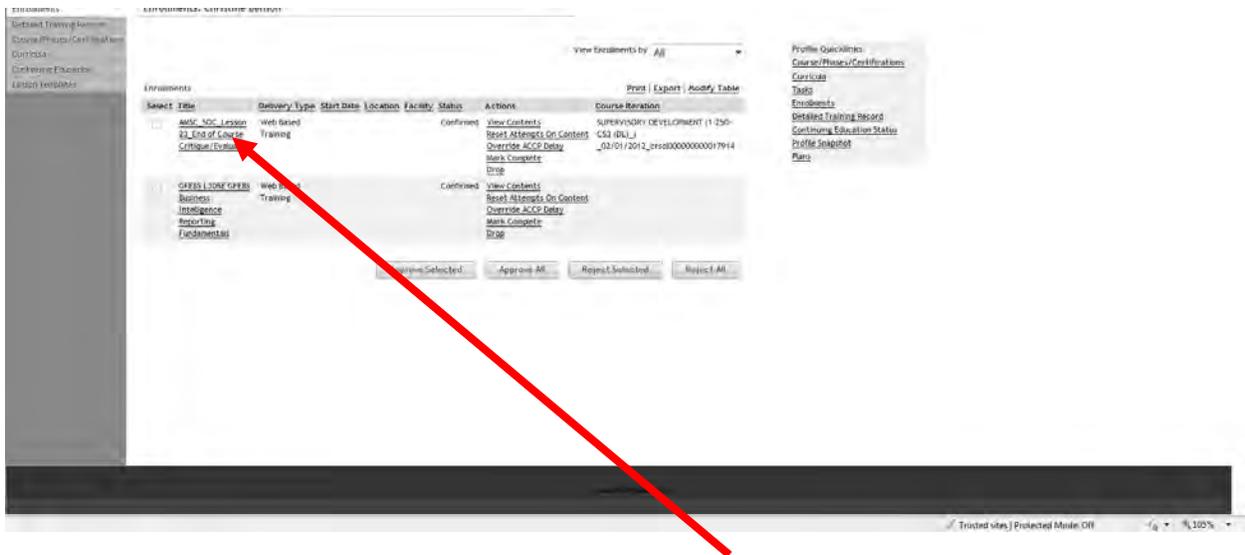

When you reach the top of the Horizontal Slide Bar your mouse pointer will change to the hand and finger icon and you may see a tool tip dialog box that says "View Content". Click your mouse when you see either the hand and finger icon or the icon with tool tip dialog box that says "View Content".

Your content should open with the option to launch the lesson.

I finished the course and Exam but I don't have a certificate!

Notice this student still needs to complete the End of course Critique and then the course will roll over to CHRTAS and she will be able to print an Official Certificate. **Remember: You must complete the lessons, Exam and End of course Critique to successfully complete the course and receive your certificate from CHRTAS.**
