Dear Incoming Service Member:

Welcome to Kansas! We welcome you to the United States Army Combined Arms Center (USACAC) Special Troops Battalion (STB) and Fort Leavenworth. **The STB's mission is: To provide command, administration, training, and UCMJ support to assigned and attached units to enable the Combined Arms Center to train, educate, and develop leaders who thrive in conditions of uncertainty and ambiguity.** Fort Leavenworth is home to the US Army Combined Arms Center, which includes three subordinate organizations (SO): Army University which includes the Command and General Staff Course (CGSC), CAC-Training, and the Mission Command Center of Excellence (MCCoE), all combining to form what is known as the Intellectual Center of the United States Army. Moreover, we also support service members deployed abroad to Australia, England, Egypt, and Kuwait and simultaneously support personnel at NTC, the National Capital Region, Hurlbert Field, FL, and Carlisle Barracks, PA.

Fort Leavenworth is approximately 30 minutes northwest of Kansas City and 30 miles northeast of Lawrence, KS. It is a beautiful area with many points of interest in the immediate vicinity. It includes several major shopping areas, boatable lakes, museums, zoos, professional sporting venues in all four major sports, and multiple historic sites. There is something here for the whole family.

Upon arrival, your first contact is the CAC G-1, who will initiate in-processing and further pinpoint your assignment within the STB. G-1 is located on the 1st floor of Fuller Hall on Augur Street, Building 19.

We look forward to working with you as we train and prepare our Army's future leaders. As you transition from your previous assignment to the STB, please ensure that you maintain contact with your sponsor so we may assist where needed. This sponsor is your primary conduit for information; don't hesitate to contact us if you need any additional assistance. Contact the Battalion S-1 Team, at usarmy.leavenworth.CAC.mbx.cac-stb-s1@army.mil or (913) 684-7893. Also feel free to contact the HHC First Sergeant, 1SG Lashay Austin, at lashay.m.austin.mil@army.mil or (913) 684-3655.
