Monthly Newsletter - April 2024

April is Sexual Assault Awareness and Prevention Month (SAAPM). Part of putting People First in the Army is addressing corrosive behaviors, which includes sexual assault and sexual harassment. As professionals, we all must embody the courage to act decisively in the face of sexual assault and sexual harassment. Every member of this team has inherent human dignity and value, worthy of respect and honor. It is a moral imperative that each and every one of us do all that we can to eradicate sexual assault and sexual harassment within our spheres of influence.

A significant element of making progress is creating a culture of safety and support for survivors of sexual assault and sexual harassment, and raising awareness within our communities. As such, the CAC SHARP team has planned numerous events throughout the month across Fort Leavenworth, highlighting all that the SHARP program has to offer. We've included the schedule of events on the back side of the newsletter for ease of reference. If you would like a SAAPM event for your office or organization or want more information about any of the planned events, please contact the STB S3 MAJ Jonathan Shaw or the STB Executive Officer MAJ Mark Gorgoglione

For more information on SAAPM, or to make a restricted or unrestricted report of sexual assault, Soldiers and adult Family members can call the Fort Leavenworth SHARP Hotline at 913-683-1443 or stop by the Fort Leavenworth SHARP Resource Center at 632 McClellan Ave.

As always, thank you for all you do for our community and our nation.
