Warrant Officer Candidate School Frequently Asked Questions

Q: What is Physical Readiness Training (PRT) going to be like?

A: Ensure that you are in top physical readiness prior to arriving to WOCS. In accordance with (IAW) Army Regulation (AR) 350-1, you will have to pass an Army Physical Fitness Test (APFT) at Headquarters and Headquarters Company (HHC) in order to enroll into class. IAW AR 350-1, the only authorized alternate event for the APFT is the 2.5 Mile Walk (with an approved DA G-3/5/7 waiver). The push-up and sit-up events are non-waivable. Daily PRT will be strenuous. 1st Warrant Officer Company (WOC) follows Field Manual (FM) 7-22 and the Army’s updated PRT program. If you are a poor runner, you should start working on your run now. Additionally, push-ups, pull-ups, sit-ups, and medium distance foot marches with at least 48 lbs. are highly recommended. If you are not doing it now, start doing PRT five days a week for at least an hour. A Pre-WOCS PRT program can be found on the WOCS web page. https://usacac.army.mil/organizations/cace/wocc/courses

Q: Where do I report and in which uniform once I arrive to Fort Rucker, AL?

A: Report to Bldg. 5901 Headquarters & Headquarters Company (HHC), U.S. Army Warrant Officer Career College (WOCC), located on Skychief Street off of Andrews Ave. If you are going to report earlier than your actual ATRRS report date for WOCS, report in the Operational Camouflage Pattern (OCP). Early reporters must sign in NLT 1700 Monday thru Friday. If you cannot report on weekdays and Saturday or Sunday is your only option, arrive from 1300 to 1700 if possible. In order to coordinate for someone to meet you at HHC on a weekend, call at (334) 470-7340 (CDO).

For those reporting on the ATRRS class report date, report in the Army Physical Fitness Uniform (IPFU) no later than 1300 hours if possible. If traveling in civilian clothes (recommended) or duty uniform, you are allowed to report like that as well. You will be assigned a room upon arrival in which you can change into APFU to conduct height and weight. If for any reason you are not able to report before 1300, contact HHC to ensure accountability. HHC Cadre or the Candidate Duty Officer will provide in-processing instructions. Additional information is available at: http://usacac.army.mil/organizations/cace/wocc/courses/wocs or (334)255-1967/ 1287/ 1387 or (334) 470-7340 (CDO).

Q: When do I report once I arrive to Fort Rucker, AL?

A: For Aviators only (153A): PCS travel orders to attend WOCS will reflect a report date to HHC ten days prior to class start date in order to support required in-processing requirements. All others should report NLT the report day on their orders sending them
to Fort Rucker, or the official report date (from ATRRS) of the course they have reservations for, whichever is earlier. If you are not an aviator early reporting if also authorize but only if your unit allow you to do so. One day before your ATRRS report date should be good enough for early reporting for all technicians. It is highly recommended that you report one day earlier than your ATRRS report date if your unit allows you to do so.

**Q: When should I stencil my clothing?**

A: You should not stencil prior to arriving. You will have approximately three to five days at HHC before reporting to 1st WOC. You may use this time to mark your clothing IAW the WOC SOP.

**Q: What if I am missing documents when I get there?**

A: Although the cadre will try to help in every way they can, it is your responsibility to ensure that you have all documents annotated in the PRE-EXECUTION CHECKLIST. The documents most often missing are the Promotion Orders (E4 and below), DA Form 61 (Application for Appointment), copy of a profile if applicable (DA 3349), DA 2808 or Form 3.1 (Physical), Soldier Record Brief (SRB), initial enlistment contract, DD Form 214 (for a break in service or inter-service transfer), Orders bringing you to Fort Rucker, and the actual pre-execution checklist signed by your Commander and 1SG. Missing documents could delay entering the course on time. If you are unsure about a document, you should contact HHC at 334-255-1967/1387/1297 or 334-470-7340 (CDO).

**Q: What if I have a minor injury but I am not on a profile?**

A: If you have a minor injury but are not on a profile, it is in your best interest to ask for a later class date in order to fully recover. The level of physical activity will exacerbate the problem and you will not have time to get it properly taken care of. If you are not 100 percent physically, do not start class. Wait until you are healed.

**Q: What are some things I should review before I arrive?**

A: Review the following references:

- Training Circular (TC) 3-21.5, Drill and Ceremonies. Many candidates do not conduct D&C very often and have difficulties remembering how to conduct company/platoon formations as well as how to march as a unit. This may seem like a minor task, but D&C is part of leadership and your evaluations. Drill and Ceremony is a basic soldier task. Mastery of D&C demonstrates attention to detail, confidence, professionalism, and the ability to take charge.
• Field Manual (FM) 7-22, Army Physical Readiness Training to familiarize yourself with how to conduct preparation and recovery drills. You must memorize the drills in the order they are conducted during PRT.

• FM 3-25.26 Map Reading and Land Navigation. It is your responsibility to be prepared for land navigation and its components. Such as plotting grid points, azimuth, pace count, and terrain association. Many candidates struggle with navigating terrain with a map and a compass. You will receive a full day worth of classroom instruction but that has not decreased the failure rate for the event. It is your responsibility to ensure you practice Land Navigation before reporting.

• Army Regulation (AR 25-50), Preparing and Managing Correspondence. Clear, concise writing is not a simple task. Writing complex reports or articulating the concerns of subordinates only increases the challenge. The ability to communicate effectively is crucial to your success as a Warrant Officer.

Q: Do I need to bring everything on the packing list?

A: You MUST have everything on the mandatory items list. The items that are listed as optional are exactly that, OPTIONAL. Do not bring extra equipment unless authorized on the list. Females’ pumps are optional unless planning to wear dress blue skirt for graduation. There is an additional list of updated mandatory items that includes toiletries and office supplies. Keep toiletries to a minimum to avoid cluttering your Personal Security Area (PSA). If you have a rucksack, assault pack, and a hydration system (“Camel Back”) it is mandatory that you bring them with you. This is imperative and beneficial for your training. If you don’t have those items (street to seat and inter-service transfer candidates only), they will be provided to you.

Q: Should I buy all new uniforms and boots prior to arriving?

A: No! Many candidates spend over $500 purchasing clothing items that they already own. If your uniform items are still serviceable do not feel that you have to replace them. However, if they are serviceable but do not fit properly or look worn out, you must have clothing that is sized and looks appropriately.

Q: How much money should I expect to spend?

A: Plan to spend anywhere from $100-$200. It is going to vary from person to person. You will spend money on the class shirts, laundry service (optional), alterations, basic needs, coffee fund (once caffeine rights are earned), and the staff ride. If you use laundry services, the cost is $100. You will need a little spending money for any other
incidentals you may require while here. Also, most WOCS classes conduct a car wash to help offset the costs of class memorabilia.

**Q: Will I have to do much writing?**

**A:** You will be required to write essays and memos while you are here. The format is outlined in the WOC SOP and AR 25-50. Become familiar with AR 25-50 and the military writing style as Warrant Officers need to know how to write well and clearly articulate their thoughts on paper (memorandums, awards, evaluations, operation orders, standard operating procedures, email, etc.). There are limited computers available for candidates’ use. When everyone has an essay due at the same time, it is very difficult to meet deadlines. If you do not know how to type, take a class on how to type fast. This will be advantageous to you and your fellow class mates.

**Q: Will I be able to take care of any personal issues that may arise while at WOCS?**

**A:** Emergencies happen, but in most instances these emergencies could have been prevented by a little pre-planning. Your Common Access Card (CAC) should not expire during the course and you should also know your CAC pin. Ensure that your finances and family matters (power of attorney) are taken care of prior to leaving for WOCS. Again, time is limited and you will disrupt your training if you require trips to finance or S1. In addition, worrying about unresolved personal problems is distracting and can affect your ability to learn while here. If you bring a vehicle, ensure that all your paperwork (license, registration, insurance) is up to date, available for verification, and will not expire.

**Q: Will I be able to contact my family regularly?**

**A:** No. You will have occasional phone and media rights, but rights are never a guarantee. Anticipate that you may be able to contact your family once or twice a week. This is to minimize distractions for the candidates. This course is very short and intense. If you have special circumstances, you may request permission from your TAC team to use the phone or internet outside of designated phone and media times. You may have to submit a memorandum before you are granted permission.

**Q: What is the key to success in this course?**

**A:** There are many traits and skills that will contribute to your success: Motivation, determination, self-discipline, physical readiness, professionalism, time and stress management, and the desire to learn. However, more important than your personal success is the success of the group. You must be a team player first and foremost.
You must have good communication and interpersonal skills. There is no room for individualism during this course. ADP 6-22 for Army Leadership is a good publication to read before reporting to WOCS.

Q: Should I bring the Army Service Uniform (ASU) to WOCS?

A: Yes! The ASU is on the mandatory packing list. We recommend that you convert your uniform with your appropriate branch color and purchasing the WO1 shoulder boards and sleeve braid prior to arriving to Fort Rucker since the clothing sales here may not carry your branch. If you have doubts about the process, just bring your enlisted ASU and the Candidate Laundry Officer will coordinate the process with a local vendor. The class will have an opportunity to turn in their uniforms the day after you report here. This is done at your own expense. Keep your receipt in case, for one reason or another, you do not graduate.

Q: Will I receive an annual clothing allowance as an officer?

A: IAW the Department of Defense Financial Management Regulation (DoDFMR) Volume 7A, Chapter 30, “All officer personnel commissioned or appointed in the Regular or Reserve Components of the Army, Navy, Air Force, or Marine Corps are authorized $400 as reimbursement for the purchase of uniform and equipment, regardless of the source of commission or previous enlisted status.” Furthermore, if you are on active duty or active duty for training for more than 90 days, you will receive an additional, one-time uniform allowance of $200.

Q: As an ARNG Soldier, can I wear State awards on my Class A/ASU uniform?

A: Reference AR 670-1, para 29-6j. Under Title 32, you may. However, if you are under the provisions of Title 10, you cannot.

Q: As an inter-service transfer (to the Army from another service), am I authorized to wear the awards or badges from that service?

A: Reference AR 670-1, para 29-6d and 29-13g; AR 600-8-22, para 8-3c. Personnel may wear service medals and service and training ribbons awarded by other U.S. Services with the exception of a few specific awards, ribbons, and medals. Per AR 600-8-22, written authority from Human Resources Command (HRC) and Army G-1 must be obtained before wearing badges awarded by other US Services.
Q: What time is graduation?

A: Unless otherwise noted, WOCS graduation begins at 1000 and is held at the Fort Rucker Aviation Museum located on Novosel Street.

Q: What is the earliest I can arrange for travel (flights) after graduation?

A: It is recommended that you do not plan/schedule to fly out of the Dothan Regional Airport (DHN) earlier than 1400 on graduation day. It takes about 30-45 minutes to get to the airport from Fort Rucker. Delta Airlines is the only airline that flies in/out of Dothan with connecting service in/out of Atlanta (ATL), GA. For planning purposes, be sure to check their website for flight times.

Q: Is the Fire Resistant ACU authorized during WOCS?

A: Yes. Fire Resistant ACUs (FR ACU) are authorized, however, the Army Aircrew Combat Uniform (A2CU) is not.

Q: Do I need to bring the winter items (APFU pants and jacket, fleece cap, all weather coat) to WOCS in the spring/summer?

A: Yes. Those items are part of the packing list as well as components of the full uniform IAW AR 670-1.

Q: I cannot find the black leather glove shells that are on the packing list. Are the foliage green inserts and shells with Velcro tab permitted for WOCS?

A: Yes – Either black or the foliage green light duty utility gloves are acceptable.

Q: Are commercial boots authorized for wear during WOCS?

A: Yes – As long as they meet all requirements in AR 670-1 (including the 8-10 inch height requirement) and associated ALARACT messages that govern wear of the ACU.

Q: Am I allowed to bring a privately owned weapon (POW) to WOCS?

A: We encourage you to leave your POW at your home station. The only exception is for those in a PCS status. However, if you bring a POW, it must be registered and stored in accordance with Fort Rucker Regulation 190-1, Chapter 15.
Q: Will I receive a DA Form 1059 (Service School Academic Evaluation Report) upon successful completion of WOCS?

A: IAW AR 623-3, no.

Q: Will I be allowed to start training if my Secret security clearance has not been granted, or if I am due for a periodic reinvestigation during training?

A: You must have an adjudicated SECRET clearance upon your arrival at HHC, and it must be valid after your scheduled graduation date (i.e. you must not be due for a periodic reinvestigation until after your scheduled graduation date). Check with your unit security officer to ensure the correct access is granted in JPAS and that you have a signed non-disclosure agreement (SF312) on file. If you do not meet security clearance requirements you will be returned to your home station or placed in an administrative hold at HHC pending a valid clearance. If you cannot initiate your periodic reinvestigation due to the 30 day limit and your upcoming class, the matter will be resolved here.

Q: IAW 600-8-19, my losing unit should promote me to E5 prior to my departure for WOCS. They are refusing to process the promotion. What should I do?

A: This is not uncommon. If your losing unit does not process your promotion to E5 prior to departing for WOCS, then your promotion will be processed by HHC during your in-processing.

Q: I am a single soldier and will continue my training at Fort Rucker after I graduate from WOCS. Can I reside in BOQs or Barracks once I am a WO1?
